Subject: Deficient Notice of Intention to Commence Small Mining Operations, Ticaboo Stockpile Removal Project S/017/0001, Garfield County, Utah

Dear Ms. Wolverson:

On January 19, 2011, the Division of Oil, Gas and Mining received an amendment to the referenced Notice of Intention to Commence Small Mining Operations (NOI). While the amendment is complete, the Division does not have on file a complete NOI for this project. As stated in the letter dated January 11, 2011, the Division needs to receive a new NOI showing just the area covered under the current approval. The NOI needs to contain a general location map and an operations map.

The NOI form is available on the Division's web site at
https://fs.ogm.utah.gov/pub/mines/minerals_related/forms/MR-SMO.pdf.

Please call me at 801-538-5261 or Wayne Western at 801-538-5263 if you have questions about this letter or the form. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
